

# Everyone can enjoy the sun... with the UK's No.1 prescribed sunscreen<sup>1</sup>

Certain people are more susceptible to developing problems such as sunburn, pigmentation, premature ageing, wrinkles and skin cancers.<sup>2</sup> But even people at a higher-risk from sun damage can enjoy the sun with SunSense.

- ☀ The highest SPF available<sup>3</sup> in Australia
- ☀ Formulated to meet the Australian standards – the most stringent in the world
- ☀ Broad spectrum, to help protect against UVA and UVB radiation
- ☀ Dermatologically tested

# Save 15% on the SunSense range

SunSense is the No.1 prescribed sunscreen in the UK<sup>1</sup>. To make sure you're well protected, the full range, from anti-ageing face creams to kids' products (previously Toddler Milk), is also available for you to buy online.

**Enter code AM15 at [www.crawfordhealthcare.com/shop](http://www.crawfordhealthcare.com/shop)  
to claim 15% off your first purchase.**

SunSense is also available from John Lewis, Waitrose, Ocado, Paydens Pharmacy  
and selected Independent Pharmacies.
